

Montgomery County: Keeping It SAFE Under 21 Alcohol Prevention Coalition
Under 21 alcohol use is illegal, unhealthy, and unacceptable

The following Limousine Companies successfully completed the Keeping it SAFE Coalition training on March 8, 2017. The training covered the Maryland alcohol and other drug laws/consequences, indicators of alcohol and other drug impairment, current teen trends, and best practices regarding the transportation of clients under the age of 21. As a reminder be sure to verify that the desired company has the proper registrations and licenses to conduct business: *Public Service Commission:* www.psc.state.md.us

Limousine drivers in the State of Maryland must possess a for hire license issued by the Public Service Commission. Companies must have the appropriate licenses as pertains to their scope of services. Most vehicles operating as a limousine must be licensed and inspected by the Public Service Commission. All drivers are finger printed and subjected to state and/or federal background investigations. Public Service Commission agents make unannounced inspections.

For over a decade, the Maryland Limo Association (MLA) has been serving chauffeured transportation providers in Maryland. The MLA keeps the Maryland limousine operator in the know and works diligently by: battling legislation that could adversely affect Maryland limousine operators, establishing educational and bulk buying programs, and offering fledgling businesses a place to turn to for pertinent information. Maryland Limo Association has helped strengthen Maryland's chauffeured transportation industry.
